**Old Business**

- HVAC Discussion
  - Jim Dolan to get further information to us. We need affordable plans in a cost effective method. What should the base bid be – boiler or well monitoring? Do we want to go forward and how?
  - Karen to call Jim – one or two page summary and projected costs – wells separate and boiler separate from other items.
  - Karen – there is a small window to apply for a construction grant - WLS

**New Business**

- Scheduling of Space in the Library and Associated Fees for Outside Groups Discussion
  - Entire schedule filled up in January (6-9 months in advance)
  - Outside groups not paying premium price to be here. Associated fees should be the going rate in this area. Can we adjust policy so that the community comes first?
