From the Director's Desk

2018-2019 was a year of new initiatives and change, with new programs, collections, and even a new circulation system. I will be celebrating these changes at the 2019 Annual Meeting and Report to the Community on Monday, June 10th. It will be a look back at the highlights and accomplishments of the prior fiscal year—and there were many!—as well as a chance to honor those who contributed to the library's successes. I always look forward to having the opportunity to grant the Volunteer of the Year Award, as well as the Riley Elmore Saper Voracious Reader Award; the annual meeting is a wonderful reminder of how many community members are an essential part of the fabric of the library. This year, I'm pleased to welcome Claudia Depkin, director

of the Haverstraw King's Daughters Public Library in Rockland County. Formerly the Chairperson of the New York State Regents Advisory Council on Libraries and the treasurer of the New York Library Association, Ms. Depkin was named a Library Journal Mover & Shaker for 2019, for her work on building community around sustainability. As Ossining continues its push to be a green community, I believe her insight on sustainability will prove to

be invaluable and inspiring. I hope you'll be joining us on June 10th to celebrate the past year with us; the meeting begins at 7:00 p.m. and will be held in the Budarz Theater, with refreshments to follow.
