From the Director's Desk

Last month, Carry Cubillos, our Cultural Programming Specialist, was honored by the Westchester County Board of Legislators as a dedicated community member and person of distinction.

Westchester County legislator Catherine Borgia presented Carry with her proclamation

and announced that September 18th has been designated Carmenza Carry Cubillos Day. I speak for the Ossining Public Library's staff, Board of Trustees, and community when I say that I couldn't be prouder to see Carry recognized for her decades of hard work and outreach. Carry has worked at the library since 1998 and was integral in spearheading our Spanish-language programming. She is tireless in her outreach to the community and dedication to

Ossining residents, creating engaging, educational, and important programming from crafts and cooking to parenting and citizenship preparation, in addition to translating and working one-on-one with our patrons. In addition to her work at the library, Carry sits on the boards of IFCA and the Ossining Microfund. Her devotion to the community is truly inspiring and the library and Ossining are much richer for her work.

Welcome to our newest staff members!

I am excited to announce that we have welcomed two new staff members to the Ossining Public Library. Diana Lennon, who is our new Head of Adult Services, comes to us after many years at the Greenburgh Public Library and Ignayra Lopez, our new Head of Children's Services, most recently worked at New York Public Library. Both Diana and Ignayra are full of wonderful ideas for programs, collections, and services. Be sure to stop in and say hello!
