AMD SPRING READING PROJECT 2020

During this short break from school, please set a goal of reading one book per week. For every book you read, you should complete this form. Feel free to make photo copies of this sheet if you want to complete a hard copy, but it is better to complete this form online. The link to the Google Survey can be found on the AMD Website. The top readers in the school will be awarded special prizes upon our return.

Name (First and Last):

I am in:

- 6th grade
- 7th grade
- 8th grade

Author of the book you read:

How many pages was your book?

- 100-150
- 151-200
- 200-250
- 250+

Which of the following assignments will you complete?

- Writing a short story about what the character(s) would be doing a year later.
- Write three questions to ask the protagonist and write what you think their response would be.
- Write a letter to the author or illustrator.
- Write a short book review. Remember to include a few sentences describing the book as well as a few sentences about what you thought.
- Choose two characters from two different books (one from the book you completed) who you think would be great friends and explain why.
- Choose one location from your book to live in for a week. Explain why you would pick that location and what you would do there.
- Write a book recommendation.
- If you're reading a non-fiction work, describe the most fascinating, intriguing, interesting facts that you learned about your topic.
- Choose another way to demonstrate your learning. Be creative - podcasts, Tic Toc, painting, movie script, etc. Bring it in to show your teacher upon our return to school!
