

USE YOUR BRAIN

RIDICULOUS RIDDLES

What am I?

OVERTHINKING THESE SILLY QUESTIONS COULD HELP, BUT THE ANSWERS MIGHT BE SIMPLER THAN YOU THINK

The Problem

Riddles ask questions in unusual ways. The idea is to get the reader to think about things differently and to combine their knowledge with their logic. Sometimes the questions are answered by thinking about things very literally, while others require you to think about things in a figurative manner. Stretch your mind to see if you can answer these puzzling "What am I" questions!

I am always running, but never get hot or tired. What am I?

I get answered even though I never ask a question. What am I?

I can go up and down the stairs without ever moving. What I am?

I have for legs, but can't walk. What am I?

I get served at every meal, but never get eaten. What am I?

I have many keys, but can't open a door. What am I?

I run, but can't walk and you always follow me? What am I?

Poor people have me, rich people need me, and if you eat me, I die. What am I?
