

The Ossining Library is seeking a new trustee to take an open seat on the Board.

Our library has provided resources and programs to Ossining (and beyond) for over 125 years. Now you can become a part of our committed and enthusiastic trustees.

Trustees work with the Director and meet at monthly Board meetings. We oversee the fiscal operations and approve funding. Library policies are monitored by the Board and the strategic plan is developed with the staff.

These are exciting times for the Ossining Library. We are considering changes to the physical building in light of the impact Covid 19 has had on our community. These changes are meant to have a lasting benefit for all Ossining residents. We have just completed our Strategic Plan. As it takes effect, it will provide a new direction for library and patron interactions.

If you have had experience on a board of trustees, or have expertise in budgeting, philanthropic foundations, or human resources, we would like to hear from you.

For more information, you can view the webinar: What Every Trustee Should Know: <https://vimeo.com/134973499> and view the Handbook for Library Trustees: www.nysl.nysed.gov Enter "handbook for library trustees" in the search box.
