We are grateful to our Friends for the nonstop support they give the Library.

Through Friends memberships and donations, the

Friends have been able to support many library programs and initiatives. In the last 12 months, the Library has received more than \$8,900 in funding from the Friends to support the Library's mission including:

- The lactation room in the Children's Library and 2 study rooms
- Summer reading programs and events
- Programs, including concerts and author visits
- Musical Instruments, Sewing Machines

And we can't forget their ongoing sponsorship of our incredibly popular Museum Pass program, which offers free or discounted visits to more than 20 outstanding museums in the tri-state area.

This would not be possible without the tireless efforts of the Friends members who volunteer their time to the organization. We are so lucky to have the best *Friends* ever!
